

A great ride for cyclists of all skill levels promoting the beauty and charm of DeWitt County

To all our friends of Tour deWitt,

The 2023 Tour deWitt is **CANCELLED** due to a lack of support through pre-registration numbers. While we realize that pre-registration is only one component of the total number of riders participating (day of event registration is also normally available); over the years pre-registration has provided a fairly accurate predictor of how many total riders to expect. Based on the data we've obtained over the years; it appears that another low total rider number can be expected. Last year we experienced our lowest total rider number (65) since we began oversight in 2015. This year's number appears to be on track to be at, or under, last year's. That being the case we believe it's in everyone's best interest to cancel this year's event.

The future of the Tour deWitt is uncertain at this point, but we certainly want to thank all the riders who have supported this ride in the years past. Your participation made the event what it was and raised thousands of dollars to support children who have suffered from abuse of many forms. Thank you!!

Sincerely,

Steve
